### HIS DIVINE GRACE A.C. BHAKTIVEDANTA SWAMI SRILA PRABHUPADA

*His Divine Grace, **Srila Prabhupada** is the Founder of the **International Society for Krishna Consciousness (ISKCON)** – a non-sectarian worldwide society of spiritually minded persons dedicated to the upliftment of all humanity through the development of values based on the spirit (or soul within the body) in relation with GOD who is the Supreme Spirit. His Divine Grace has stated that by re-establishing our spiritual heritage with that of GOD, we can recognize the commonality in all of humanity as our spiritual family and develop healthy loving relationships based on the common good. Spirit based activities can bring humanity closer together as one homogenous whole (as the children of GOD) rather than the opposite of becoming divisive due to being based on arbitrary bodily designations of sex, age, race, color, caste, creed, or any other divisive method based on the physical appearance of the body as the cause of dividing humanity into smaller and smaller groups not like any other.*

*This Rathayatra Parade and Festival is meant to revive our long lost relationship with GOD the Father of all souls through a joyful process of song, dance, and music that give freedom to our spirit to live a more joyful and fulfilling life gained through the real knowledge of the spiritual values of life. We value so many things in our lives, but are they temporary or everlasting? The ancient Vedic literatures of India teach us that the body is temporary and the soul within is everlasting and eternal. Therefore, we should endeavor to attain the everlasting while minimizing the temporary.*

*All Rathayatra parades worldwide outside India, specifically Jagannath Puri, in the state of Orissa were inaugurated and originated by **Srila Prabhupada** to uplift the spirit of all humanity by making the Lord of the Universe accessible to millions of persons worldwide who would never have had a chance, otherwise, to personally experience this unique soul stirring experience of a lifetime to start the process of reviving our long forgotten past of being eternal, full of knowledge, and full of bliss. The true nature of all souls is to be like the Supreme Soul, GOD, or Sri Jagannath (literally translated from the ancient Vedic teachings as Lord of The Universe) who is the originator of our own eternal, knowledgeable, and blissful nature. His Divine Grace A.C. Bhaktivedanta Swami **Srila Prabhupada** brought this most ancient, confidential and secret knowledge of the Vedas to the world and created an international society dedicated to the distribution of this knowledge for the spiritual upliftment of all souls called, The International Society for Krishna Consciousness, or ISKCON the short form of the society's name*

## WHAT IS ISKCON

*The International Society for Krishna CONsciousness (ISKCON), which is popularly known as the Hare Krishna Movement or Krishna Consciousness, was founded in New York City in 1966 by His Divine Grace A. C. Bhaktivedanta Swami Prabhupada with the help of disciples, friends, and well-wishers.*

*ISKCON was founded as a spiritual society that encompasses a worldwide association of Vaishnavas or devotees of The Supreme Personality Of Godhead, Lord Sri Krishna, for the express purpose of reviving the factual identity of all souls regardless of their current misidentification with the body based on race, sex, creed, country, language, or any other erroneous belief centered and focused on the bodily concept of life.*

*The principle process for reviving our original consciousness is through the medium of mantra meditation recommended by the ancient Vedic literatures as the means of freeing us from the mundane concept of reality towards a transcendental state of consciousness , in a more practical and action oriented method, by the chanting of the Maha ( or great) mantra, which includes all other mantra potencies and potentialities within this one grand, all encompassing mantra which is displayed below for your edification and conscious upliftment...*

*The prime goal of ISKCON is to re-spiritualize the society at large towards a more God centered approach to life, which in turn, leads to peace and contentment due to the lack of a mundane approach to life and its concomitant problems.*

### **The Seven Fundamental Purposes Of ISKCON**

*When Srila Prabhupada first incorporated ISKCON in 1966, He gave His fledgling spiritual society seven fundamental purposes by which to guide the growth of the society:*

- 1. To systematically propagate spiritual knowledge to society at large and to educate all people in the techniques of spiritual life in order to check the imbalance of values in life and to achieve real unity and peace in the world.*
- 2. To propagate a consciousness of Krishna, as it is revealed in the Bhagavad-Gita and the Srimad-Bhagavatam.*
- 3. To bring the members of the Society together with each other and nearer to Krishna, the prime entity, thus to develop the idea within the members, and humanity at large, that each soul is part and parcel of the quality of Godhead (Krishna).*
- 4. To teach and encourage the sankirtana movement, congregational chanting of the holy names of God as revealed in the teachings of Lord Sri Chaitanya Mahaprabhu.*
- 5. To erect for the members, and for society at large, a holy place of transcendental pastimes, dedicated to the personality of Krishna.*
- 6. To bring the members closer together for the purpose of teaching a simpler and more natural way of life.*
- 7. With a view towards achieving the aforementioned purposes, to publish and distribute periodicals, magazines, books and other writings.*

Moreover, the Festival of India following the chariot parade provides a glimpse into Indian dance, music and food.

I convey my warm greetings to all celebrating the beautiful cultural event and wish the organizers of the event all success

## MESSAGE FROM OUR TEMPLE PRESIDENT

Hare Krishna Everyone,

Please accept my humble obeisances. All glories to Sri Prabhupada.

As we are celebrating our 20th annual Rathyatra, I remember and marvel how much we have progressed. Our Lordships have been participating in the Rathyatra since 1970s from the first Rathyatra in New York City with His Divine Grace Srila Prabhupada to the current times in Baltimore. They travel from Washington DC to New York City to North Carolina for Rathyatra and giving Their Divine blessings.

I would like to thank our Rathyatra organizing chairman Shreyas Panchigar for tirelessly working over the years in making the Rathyatra a grand success. A special thank you to all the volunteers who have worked so diligently in organizing this Rathyatra.

In the end a warm welcome and thank you for coming and participating in the Rathyatra.

Happy Rath Yatra !

It gradually introduces them to Bhakti Yoga through chanting, kirtan, discussions and service activities. There is a weekly gathering that takes place on Sunday evenings at the temple in the lounge next to temple building. Since its inception in September 2014, over hundred local people, who had no or little prior knowledge of Vedic culture, have been introduced to Bhakti Yoga.
